Description			
Grid shows after closing editing session			

History

#1 - 04/25/2013 02:11 PM - Manuel Madrid

- Priority changed from Normal to High

#2 - 04/25/2013 02:11 PM - Manuel Madrid

- Priority changed from High to Urgent

#3 - 05/09/2013 11:43 AM - Manuel Madrid

- Category set to Vector editing

#4 - 08/14/2013 01:11 PM - Juan Lucas Domínguez

- Status changed from New to Fixed

Improved management of grid and snappers when editing session starts/ends.

When editing ends:

- grid and grid snapping is disabled
- geometry snappers are disabled (globally, not individually)

When editing starts:

- geometry snappers are enabled globally (only the ones individually enabled will be active)
- user will have to show the grid again if he needs it (and also enable the snap to grid)
