Description

Now (BN2066) this filter only shows the plugins addons relatives to symbology, not the symbols sets addons. "Symbology" category should show all the addons relative to symbology, this is, both plugins and symbols sets.

By the way, the name of the category is wrong: "Simbology" should be changed by "Symbology".

History

#1 - 01/13/2014 10:01 AM - Álvaro Anguix

- Status changed from New to Closed

Solved in gvSIG 2.1 (2216)

#2 - 01/13/2014 06:05 PM - Joaquín del Cerro Murciano

- Target version changed from 2.1.0-2223-rc1 to 2.1.0-2217-devel
