¿Puedes pasarme la capa que intentas exportar?

Con mis capas de prueba no me falla.

Si esta en downloads me pasas el enlace, y si no si puedes adjuntala al ticket.

En el 2241 no me falla, así que lo cierro.

**#5 - 10/07/2014 12:41 PM - Antonio Falciano**

- Target version changed from 2.1.0-2241-testing to 2.1.0-2259-rc3

- Status changed from Closed to New

- File *Export\_to\_Shape\_2248.log* added

I can't export as shape in build 2248 due to an `org.gvsig.fmap.dal.feature.exception.UnknownDataTypeException`. I've tried with different input SHPs and GMLs several times without success. I attach the log.
