**Description**

Trying to export a temporary file in a shapefile an error occurs: Error exporting a store: `_Issues_with_attributes_or_geometries` even if the file is successfully exported and loaded in the View.

And in the console I have this error:

```
WARN [Thread-57] (DefaultJExporttoServicePanel.java:286) - Problems exporting the data (layer=test_777_treelist).
