Added partial fix in changeset gvsig-jcrs:r49.

At least it won't fail now, but the values obtained will not be good in most cases, as we are returning always the values of the Ellipsoid "International 1909 (Hayford)" in all cases until we solve how to get that information from the Proj4J library.

#3 - 07/06/2012 11:31 AM - Cesar Ordiñana

Se crea el build 2 del plugin de gestión básica de CRS con los cambios realizados.
